Min Green and Ed Slaterton have broken up, so Min is writing Ed a letter and giving him a box. Inside the box is why they broke up. A movie ticket from their first date, a comb from the motel room they shared and every other memento collected over the course of a giddy, intimate, heartbreaking relationship. Item after item is illustrated and accounted for, and then the box, like a girlfriend, will be dumped. Why We Broke Up is a sincere and moving portrait of first love, first heartbreak and all the firsts in between. Min's smart, sharp, devastatingly honest voice is one of the most memorable in contemporary young adult literature.
