**#1 NATIONAL BESTSELLER NOW A MAJOR MOTION PICTURE** At twenty-two, Cheryl Strayed thought she had lost everything. In the wake of her mother's death, her family scattered and her own marriage was soon destroyed. Four years later, with nothing more to lose, she made the most impulsive decision of her life. With no experience or training, driven only by blind will, she would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State—and she would do it alone. Told with suspense and style, sparkling with warmth and humor, Wild powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddened, strengthened, and ultimately healed her. Oprah's Book Club 2.0 selection: This special eBook edition of Cheryl

Strayed's national best seller, *Wild*, features exclusive content, including Oprah's personal notes highlighted within the text, and a reading group guide. One of the Best Books of the Year: NPR, The Boston Globe, Entertainment Weekly, Vogue, St. Louis Dispatch
